

GEORGETOWN BASKETBALL

October 19, 2012

Dear Tony,

Congratulations on the 25th anniversary of the founding of the Richmond Squires AAU program. I commend you for turning your vision for this program into a reality. Through your hard work and perseverance, you have helped Richmond's first boys AAU program become one of the nation's most respected and well-run programs.

In 25 years, you have mentored countless young men and helped them to achieve incredible levels of success in their basketball careers. Your program, however, is truly unique in the commitment you make to help your players develop off the court. You have always emphasized the importance of academics and you have helped your young players who might not have the best guidance in their lives. By acting as a surrogate guardian, you have done so much to help give your players and their families a chance at a successful future.

We have been proud to follow you and the Squires since the inception of the program. It has been such a pleasure getting to know you and so many of the players we have recruited over the years.

We look forward to working together for another 25 years.

Very truly yours,

John Thompson III
Head Men's Basketball Coach
