Dear Tony:

On behalf of the entire Ohio University Men's Basketball family, we would like to congratulate you on your 25th anniversary of the *Richmond, Virginia; Tony Squire Boys Basketball AAU Program*. Your program has produced countless great players and outstanding young men. Through your efforts, you have not only helped to shape the youth of your community as basketball players, but have helped build strong minded, focused, high character young men! Keep doing things the right way! We want to thank you for being the man you are, and wish you continued success to you and your program. Here's to another 25 years!

Sincerely:
