October 15, 2012

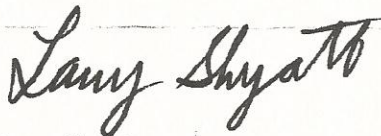

Dear Coach Squire,

Just wanted to drop you a quick note congratulating you on the 25th Anniversary of the Richmond Squires Basketball program! You have been such an inspiration to coaches of all levels around the country for years.

Words do not describe how much you have meant to countless young men, not only in the Richmond area, but the entire east coast. Because of your efforts, they have gone on to bigger and better things, on and off the basketball floor.

Looking forward to another great 25 years and talk to you soon!

Sincerely,

Larry Shyatt

Head Basketball Coach

University of Wyoming
