Hands!

"Tony has built something special and lasting in Richmond! The fact that the Squires basketball has remained a strong vibrant and relevant organization for over 25 years, while others have come and gone, is a true testament to the perseverance, leadership and integrity of Tony and his mission."

-Dennis Felton, Dir. of player Personnel, San Antonio Spurs

"This camp was unlike any other I have taken my grandson to, the volunteers didn't just watch the kids, but they also corrected them on what they were doing wrong individually."

-Dalton Beagle of Cumberland County

"Tony Squire has run one of the best AAU programs around. For a lot of kids, Tony and the Squires basketball program are the difference between the stars and the streets"

-Lane Casadonte, Sports Director, WTVR CBS 6
